HOCKEY SKILLS & DRILLS

BUFFONE ARENA, WORCESTER

This program is an excellent introduction for children 6 years and older who want to learn the basic skills necessary to enter into a youth hockey program. Each class consists of a 25 minute lesson featuring a 10:1 skater to instructor ratio. Weekday classes include an optional 25 minute unsupervised practice. Sunday classes include free admission to the public skate session immediately following lesson. Rental skates are available free of charge on a first-come, first-serve basis. Equipment needed includes hockey helmet and gloves. All of our FMC Arenas are members of the Ice Skating Institute (ISI). The 5 levels of the ISI Hockey program are designed to provide a nurturing environment where skills are broken down into progressive, achievable levels that encourage skater development.
